## PROFESSIONAL EXPERIENCE

---

### RIGHTPOINT

New York City, NY

#### Frontend Developer 2 - Level 3

JANUARY 2023 - September 2024

- Successfully managed and nurtured relationships with up to 12 clients while mentoring 6 junior developers and providing strategic support to 3 project managers.
- Orchestrated weekly deployments for multiple clients, ensuring seamless and timely releases to enable high-traffic promotions and sales.
- Delivered expert technical oversight and consulting to clients during weekly status calls, driving project efficiency and client satisfaction.
- Led multiple large-scale Shopify Checkout Extensibility upgrades, theme upgrades, and provided work planning for all Shopify features and initiatives in the organization.
- Coordinated with cross-functional teams to plan test suites and digital strategy updates following changes to the Shopify platform.

#### Frontend Developer 1 - Level 2

JANUARY 2021 - December 2022

- Joined the Rightpoint Commerce team following their acquisition of Something Digital.
- Contributed to a diverse array of projects from small boutique brands to enterprise-level clients.
- Developed high-performance, scalable frontend solutions for enterprise-level clients, improving site speed and accessibility scores.
- Contributed to the training of junior developers and helped define learning objectives for the frontend team.
- Mentored three recent graduates through the Rightpoint mentorship program, all of whom were promoted to full-time developers shortly thereafter.

### SOMETHING DIGITAL

New York City, NY

#### Frontend Developer

January 2020 - December 2020

- Engineered advanced e-commerce solutions using Adobe Commerce/Magento 2 and Shopify Plus, leveraging both out-of-box and custom functionalities.
- Integrated third-party applications to enhance e-commerce solutions, driving conversions and revenue.
- Collaborated with cross-functional teams, including designers, business administrators, project managers, and quality assurance testers, to deliver new features, contributing to clients generating over \$10,000 in monthly sales.
- Produced visually cohesive and accessibility-compliant e-commerce solutions to client specifications.

### LOCAL MUSCLE MOVERS

Burlington, VT

#### Digital Marketing Manager

MAY 2019 - January 2020

- Promoted from hands-on employment as a Mover to a strategic role as a Digital Marketing Manager.
- Led the redesign of Local Muscle's website and served as lead developer for their MI-BOX franchise in Portland, Maine.
- Collaborated closely with ownership to identify and fulfill their digital marketing objectives, resulting in enhanced online presence and customer engagement.
